REPORT OF DISTRICT FIRE CHIEF AND YOUR FOREST FIRE WARDEN

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

RECREATIONAL COMMITTEE REPORT

This has been a very rewarding year for the Recreational Committee as some of our dreams and hopes became reality. We saw the ballfield lined with spectators watching the various ball teams in action. Action was alive and wonderful as we watched teams such as the Milton Mills, Acton Church, the Milton Community Church, Pratts Softball team in Union, the Nute High School girls, the Little League teams and finally in the middle of summer the Milton All Star Little League compete in an All Star Tournament.

In total, there were sixty-six games played on the field this year, this does not include all of the practices. Many times there were four and five practices or games played on the same day. The last softball game was played on September 15th.

Besides softball the field also played host to the "Little Red Wagon" presentation sponsored by the Community Action Program and was enjoyed by many.

The park was also used and enjoyed by some new residents who found it an ideal place for a family to get together and play ball, and on many occasions one gentleman used to bring his dog there to run and jump. Three teenagers found the park to be an excellent place to fly a remote controlled plane.

We would like to encourage the use of this park by all groups, families, and individuals. There is an old county road on the far side of the park, across the track that would provide an excellent location for anyone that just might like to take a walk in the quiet solitude of the woods, near nature, restful and interesting and which might prove to be a joggers haven.

The monies spent this year provided the site preparation and paving of the tennis courts and outdoor basketball court. The site preparation and paving was done by Bill Harriman who did an excellent job and who also provided a lot of fill at his own expense which we really appreciate.

Hopefully, this year we can see our way clear, with your help, to fence in the tennis courts, install the posts and nets and start putting on some of the finishing touches in order to complete this facility. In these days of gasoline shortages and high costs we may someday be happy we have our park, close to home and providing recreation for people of all ages.

In closing, we want everyone to know that the Selectmen have been asked to increase the Recreational Committee from the existing three members to six and possibly more to better determine the needs of the town of Milton and it's outlying districts of West Milton, South Milton and Milton Mills.

RURAL DISTRICT HEALTH COUNCIL

ANNUAL REPORT 1979

During the past year the Rural District Health Council has continued to provide Home Health Care for the sick, and preventive medicine to the youth of today who will be healthier leaders tomorrow.

The Rural District Health Council continues to qualify as a certified Home Health Agency, implementing procedures to continue to provide quality care.

The priority service is the care of the sick program which provides nursing care in the home by the professional nurses. This year the Agency has negotiated contracts to provide occupational and speech therapy as well as physical therapy to its member towns. Also included in this program is the home health aide services through the contract with the Strafford County Homemaker, Home Health Aide Association, covering Strafford County, and the Portsmouth Area Homemaker, Home Health Aide Association, covering Rockingham County. The Council also employs two part time home health aides, Gail LaRosa and Rene' Wormell. This enables the Council to better utilize the professional staff while continuing to provide quality care.

The care of the sick program has provided 4,989 combined visits to its member towns from January, 1979–October 31, 1979.

The agency's staff also conducts Elderly Health Screening Programs on Wednesday. Adults from the member towns are welcome to attend any of these screenings. They are held on Wednesdays. The first and third Wednesdays are held in Farmington and the second in Northwood, while the fourth is in Milton. This program is provided with no charge to the patient and includes blood pressure checks, diabetes and anemia screenings, nutrition counseling for special diets and weight control. The program has provided services to 601 patients with 77 new patients enrolled and 41 referrals made.

The Child Health Program is an active program with 821 children enrolled. Arlene Thorne, R. N., coordinator of the program, and Paula Davis, R. N., clinic nurse, have conducted 54 clinics from January, 1979–October 31, 1979. This program is offered to all children from any of the member towns, and includes physical examinations, immunizations, teaching and counseling for ages 0–6 years.

A Dental program is held for children ages 3–6 years which includes cleaning and fluoride treatments twice a year with referrals to local Dentists for follow-up care when needed. It is funded by the Division of Public Health, Bureau of Pre-School Dental services. The program provided service to 420 children.

The Child Health Program has provided 126 visits to newborn babies, and 891 home visits to assure continuity of care. School children are always welcomed for immunization. The program is funded in part by the U. S. Dept. of Health, Education and Welfare, N. H. Division of Public Health, Bureau of Maternal & Child Health grant, and the Rural District Health Council.

A space within the Rural District Health Council office is provided for the distribution of vouchers from the Supplemental Food and Nutrition Education Program for Women, Infants, and Children. (WIC) in conjunction with the Strafford County Prenatal Family

Planning Program, Inc. The program provided service to 216 children from ages 0–5 years. The foods supplied are formula, dairy products, fruit juices and cereals.

The Rural District Health Council with the cooperation of Frisbie Memorial Hospital provides a discharge referral coordinator who assists the Social Service Dept. at the hospital and the patients physician to continue care when needed from the hospital to the patient's home. The hospital funds this program in part with the Council. 175 referrals have been made.

The strength of the Council lies with the dedicated staff who are, Mary Timmons, R. N., Supervisor, Arlene Thorne, R. N., Maternal and Child Health Coordinator, Paula Davis, R. N., clinic nurse for the Child Health Program and Coordinator for the Elderly Screening Program, Jean Germer, R. N., B. A., Referral Coordinator, Staff nurses are – Barbara Drew, R. N., Betty Coons, R. N., Myrtle Walsh, R. N., and Alice Zierga, R. N., BSN. This year the agency hired Joan Menez, LPN. Gail LaRosa and Rene' Wormell are Home Health Aides. Carl Scholl is Registered Physical Therapist, Susan Emerson, Occupational Therapy, and Ruth Cullinane Speech Therapist. Eleanor Eaton and Junellen Chase efficiently handle the office duties.

The Agency this past year has experienced a decrease in the full payment visit. Because of this the service fee income has shown a marked decline and has placed the agency in a financial bind. In order for the Council to continue to provide these many services to its member towns it will be necessary to increase the per capita to \$3.20.

Good health is a basic ingredient of a satisfactory life for all people. For older Americans this goal is more difficult to attain and maintain than for the remainder of the population.

During the past year the Council has made for your town 434 skilled nursing visits, 148 home health aide visits, 120 therapy visits, 78 child health home visits, and 123 children have attended the Child Health Program.

Anyone interested in additional information or needing services, may contact the Rural District Health Council, P. O. Box 563, 6 So. Main St., Farmington, N. H. 03835, or telephone 755–2202 between the hours of 8 A. M. – 4 P. M., Monday – Friday.

Respectfully submitted,

ARDALA HOULE, R. N.

SCHOOL WARRANT

To the inhabitants of the School district in the town of Milton qualified to vote in district affairs:

You are hereby notified to meet at the High School Auditorium in said district on the 19th day of March 1980, at 7:00 o'clock in the afternoon, to act upon the following subjects:

- 1. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.**
- 2. To choose agents and committees in relation to any subject embraced in this warrant.**
- 3. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.**
- 4. To see if the district will authorize the School Board to receive and expend during the current 1979-80 fiscal year the sum of forty-five hundred dollars (\$4,500.00) in unanticipated United States Department of Energy funds due the district for previously completed energy conservation measures. (Supplemental appropriation)**
- 5. To see if the district will raise and appropriate the sum of seventy-five thousand dollars (\$75,000.00) for such energy conservation measures as renovating and insulating the roof of the new addition at Nute High School; replacing existing electrical fixtures and doors, and adding interior wall and roof insulation in both the Milton Elementary School and Nute High School.**
- 6. To see if the district wishes to advise the School Board to continue to authorize the use of the Nute High School Gymnasium for such youth-related community activities as the Tenerife Sports Club's Basketball Program for grades four (4), five (5), and six (6) in view of such rising costs as maintenance, heat, and utilities.**
- 7. To see if the district will authorize the School Board to make application for and to receive and expend, in the name of the district, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or state agencies.**

8. To transact any other business which may legally come before this meeting.

Given under our hands at said Milton this 13th day of February, 1980.

REPORT OF THE SUPERINTENDENT AND ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Milton School District:

Enrollment in the Milton Schools as of September 20, 1979, was as indicated below:

Grade	1	2	3	4	5	6	7	8	9	10	11	12	Total
Milton													
Mills	46	38											84
Grammar			48	39	56	52							195

Total	46	38	48	39	56	52	50	42	40	43	49	50	553

The Milton School District is also responsible for the education of four handicapped children currently assigned to the Great Bay School and Training Center in Newington, New Hampshire; one child assigned to the State School in Laconia, New Hampshire; one child assigned to the Bubbling Brook School in Deerfield, New Hampshire; one child assigned to the Woodman Park School in Dover, New Hampshire; one child assigned to the Memorial Drive School in Farmington; one child enrolled in the TAC Program in Rochester, New Hampshire; and three pupils who are enrolled in the Somersworth Vocational High School. These pupils raise the total number of children being educated by the School District to 565.

The replacement of members of the teaching staff in the Milton Schools was as listed below:

REPLACED	REPLACEMENT	GRADE OR SUBJECT
Drina Blanchette	Nancy Myers	Grade 1
John Drost	Betty O'Brien	Grade 6
Joan Haskins	David Johnson	Grade 6
Kristen Abrahamson	William Jacques	Special Education
Charles Cange	Irving Johnson	Principal

Norman Dodge	William Morse	Science
Deborah Bickford	Terry Tobey	Art
Cynthia Wheelock	Marigail Glasheen	English

As was stated in this report last year, School Administrative Unit #44 has as one of its priorities the implementation of the New Hampshire Accountability Plan. The purpose of this plan is to review the educational programs of all districts in order to insure that the current curriculum, teaching techniques and testing procedures are providing an acceptable curriculum for our children.

Faculty curriculum efforts in the areas of Social Studies and Science from throughout the School Administrative Union #44 were revised and consolidated this past summer by an Accountability Curriculum Committee composed of teachers from the various school districts. Mary Jane Boggs and Edward Tostevin served on this committee as the teacher representatives from the Milton School District. With the completion of the Science and Social Studies elements we have completed a standard core curriculum in the basic subject matter areas for use throughout the entire School Administrative Unit. The presence of a core curriculum should assist our beginning teachers and increase the ability of all teachers to focus on the development of basic skills in all of our pupils.

Special Education continues to be a source of concern as Federal and State law continue to mandate the development of programs leaving the bulk of the responsibility for financing such programs on the local property tax. As special education priorities for the ensuing 1980-81 fiscal year, we have had to give much thought and effort to the expansion of our special education staff at both the elementary and secondary level. While Milton should be commended for the financial effort that it has demonstrated during the past several years to provide for children with special needs, we still have at the present time children who are not receiving services required by law. Due to the requirement of Federal and State law, the school district is obligated to make provisions for the education of these children. While I am very aware and sensitive to the needs of these children, the local property tax can no longer be expected to bear the full weight of the burden. I would strongly recommend that Milton citizens encourage their representatives to seek passage of legislation at the State level which would place the burden of financing these programs on the State through passage of a property 'tax cap'. As I stated above, if the Federal and State governments are going to mandate these programs they should provide local school districts with sufficient funds with which to finance such programs.

Last March the school district authorized the School Board to investigate a more cost effective supervisory model than the present School Administrative Unit structure. I fully understand the concern caused by the additional paperwork requirements mandated through recently passed Federal and State legislation and wish to reassure the voters of the district that the Superintendent's Office stands ready and willing to assist your School Board in studying the possibility of developing a new Administrative structure which would be more cost effective than the present School Administrative Unit model.

In addition to such normal responsibilities and functions as providing assistance and support in the areas of curriculum development, teacher selection and supervision, and preparing Federal and State reports, this Office has been working closely with your School Board to initiate the new school financial accounting system referred to as **FINANCIAL ACCOUNT CLASSIFICATION HANDBOOK II REVISED** which is required by the State effective July 1, 1980. The Superintendent's Office has also been active in attempting to obtain Federal funds under the National Energy Act for the specific purpose of enabling the School Board to institute energy efficient measures in the schools.

In summary, we wish to express our appreciation to the members of the School Board, the teachers, pupils and citizens for the cooperation exhibited during the past year. We look forward to a long and productive relationship in which our mutual goals will continue to be the best possible education for our young people.

Respectfully submitted,

PRINCIPAL'S REPORT NUTE HIGH SCHOOL

This year the High School had only one staff change. Few faculty changes the last few years have resulted in a more stabilized and consistant educational program.

The facilities are being well maintained again, since the return of Custodian, Henry Fields. The gymnasium, Home Economics room and Library are used frequently by various community groups.

The girl's athletic program continues to expand. The girls varsity Volleyball team won the State Championship this year. The gym is used seven days a week during basketball season. It also doubles as a cafeteria during lunch time. The gym floor still presents a periodic buckling problem.

The Teneriffe Sports Club conducted a weekend Basketball program for interested Elementary School students. They again sponsored a successful Sports Award Banquet for the Nute High School athletes.

The Union #44 curriculum is being incorporated into the educational program. This will help to insure that all students are taught core material.

Spanish has been added to our language offerings.

If finances allow the roof of Old Nute will be resingled. Pigeon droppings on the old roof caused its premature failure. A new door was installed in the gym and wheelchair ramps were constructed for two entrance doors.

The enrollment has declined from 290 in 1978-79 to 273 in 1979-80. However, the seventh grade has gone from 42 students in 1978-79 to 51 students 1979-80.

Five of last years seniors went on to four year colleges. Eight others went on to two year colleges, in the areas of nursing, business, fashion design, electronics and child care.

My primary goal for the coming year is to develop tests to assess the progress of each student in relation to the new Union Curriculum. Construction of a storage area is also a prime need.

Respectfully submitted,

IRVING JOHNSON

PRINCIPAL'S REPORT ELEMENTARY SCHOOL

This year as in the past, we have experienced a large turnover in the student population from the previous year. At the time of this writing, our school population is at 254 students, grades 1-6, a decrease of 22 students over this time last year.

We also have experienced several changes in our teaching staff. The new staff members are: Mrs. Betty O'Brien and Mr. David Johnson, Grade 6, Mr. William Jacques, Special Education, and Mr. Eugene Ploof, Music.

Several safety and building projects have been, or are, nearing completion. They are: fire alarm systems for the Milton and Milton Mills Schools, renovations to the Milton and Milton Mills Schools to comply with fire codes, and new flooring for the main corridor and 4th grade classroom at the Milton School.

Several projects are under study for next year. Two of the most significant are the establishment of a hot lunch program for the 87 students at the Milton Mills School, and building projects aimed at increasing the energy efficiency of our two Elementary School buildings.

Once again, I want to thank the parents, faculty and staff, and pupil transporters for their cooperation in getting the 1979-80 school year off in a positive direction.

Respectfully submitted,

SHELDON R. DAMON
Principal

REPORT OF THE SCHOOL NURSE

Milton School Health Report 1978—1979

The school year started out with a series of various health screenings including vision, hearing, height, weights and frequent head checks for pediculosis. Parents were notified if any problems were detected.

During the school year, all students participating in school sports, as well as the 4th, 7th, and 10th grades had physicals by our school Doctor, Dr. Lord. Whenever an abnormal condition is found, the parents are notified and advised to consult a physician of their choice.

The school Dental Clinic for grades 1—6 was held from November—January with excellent participation. Each child participating received dental cleaning, examination, and a topical flouride treatment.

Each year we try to expand our health education program. Most 7th grade students received a half—year of health education. I'm always available to go into any classroom for a special class on health, and am available as a resource person for all students and teachers.

I wish to extend my thanks to everyone for their help and cooperation during the past year.

Respectfully submitted,

JOAN PAIGE, R.N., B.A.
School Nurse

MINUTES OF THE ANNUAL 1979 MILTON SCHOOL DISTRICT MEETING

Minutes of the Annual 1979 Milton School District Meeting which pertained to the Appropriation of monies.

Article 3. Joan Chase made the motion, seconded by Rodney Nason, that \$739,749.25 be raised and appropriated for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the District. Robert Moore made an amendment to the motion, seconded by Ann Garnett, that \$2,800.00 for part-time music services be put back into the budget. Due to point of order, Mr. Moore chose to withdraw this amendment. Robert Moore made an amendment to the main motion, seconded by Ann Garnett, to increase the budget by \$2,800.00. Motion carried. The main motion to raise and appropriate \$742,549.25, which includes the amendment, for the salaries of school district officials and agents, and for the payment of statutory obligations of the District was carried.

Article 4. Richard Rodrigue made the motion, seconded by Virginia Banks, that the article be accepted as written; namely, that the District authorize the School Board to withdraw after July 1, 1979 an amount not to exceed sixteen thousand six hundred dollars (\$16,600.) from the Nute Capital Reserve Fund for the purpose of roof renovations to the building referred to as "Old Nute." Motion carried.

Article 5. Joan Chase made the motion, seconded by Virginia Banks, that the article be accepted as read; namely, that the District authorize the School Board to withdraw after July 1, 1979, an amount not to exceed thirteen thousand three hundred dollars (\$13,300.00) from the Milton Elementary Capital Reserve Fund for the purpose of renovations and complying with the requirements of the State Fire Marshall's report, dated August 2, 1978. Motion carried.

Article 6. Richard Rodrigue made the motion, seconded by Curtis Bushby, that the article be accepted as read; namely, that the District vote to appropriate a sum of money not to exceed nine thousand dollars (\$9,000.00) from the unencumbered balance at the end of the 1978-79 fiscal year. Said sum of money to be added to the funds referred to above in the previous articles which are to be applied toward renovations to the Milton Elementary School, bringing the Milton Elementary School into compliance with the requirements of the State Fire Marshall's report, dated August 2, 1978 and completing the roof repairs to the building referred to as "Old Nute." Motion carried.

Article 9. Joan Kaszynski made the motion, seconded by Roger Libby, that the article be accepted as read; namely, that the District authorize the School Board to make application for and to receive and

expend, in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or state agencies. Motion carried.
